STANDARD EQUIPMENT AND CHARACTERISTICS

One of the flattest and most comfortable lifejackets around. Designed around the RNLI's "Useless Unless Worn" campaign, this 170N extra flat, smart design is easy to wear with its 'proper' click front buckle and comes fully equipped with bayonet fixing gas bottle, inspection window, neck fleece and crotch strap. The Plus version additionally comes with an emergency light and sprayhood. A great value product.

2 Versions:
