

ARKONA 275

275N inflatable lifejacket with harness approved to ISO 12402-2. A broad spectrum of performance combine with a sporty design. The long cut means the harness sits comfortably on the lower part of the torso.

	CLASSIC	CE

STANDARD EQUIPMENT AND CHARACTERISTICS

For all coastal and offshore users, the ARKONA 275 has now been upgraded with the patented SECUMAR 'click' front buckle. Similar to a car seat belt buckle, this makes the ARKONA even more comfortable to wear and use.

Approvals

- DIN EN ISO 12402-2
- DIN EN ISO 12401 (integral harness)

Features
